

1. How can we improve this?

- We can make the statements more formal by using more formal words to replace the casual words used such as using the words “contact us” instead of “ping us” and by observing proper capitalization when using proper nouns such as “The Pad.” Since the passage states that you can contact the hosts, the contact number or form of media for use of contact, such as Facebook or Messenger, should be presented in the passage as well

2. What would be the objective function?

- The objective of the passage is to invite people to the after-dinner party of Robert and Alexandra. It also serves to inform the invited people about the party’s location, time, date, and to let the people know that they should contact them if they want to ask for directions.

3. Create your own design/version of the passage.
